Lean Conference on Site in Munich

- The Lean Conference will take place on site at the Nemetschek building in Munich on July 4, 2024.
- The speakers give the presentations live and are then available to the participants for a short question and answer session.
- The multifunctional exhibition room is the focal point of the conference. In addition to the breaks, the room serves as a place for networking and exchange with the conference participants.

Networking Dinner Evening Before

Come together in a relaxed atmosphere!

Get to know the participants and network over a casual get-together.

We welcome you on the eve of the conference in a cozy round with a culinary buffet. Here we get to know each other in a relaxed atmosphere and enjoy the evening together in summery temperatures.

- Time:
 - **Wednesday, 3rd July 2024**
 - from 6.00 p.m. to 10.00 p.m.
- Place:
 - Nemetschek-Haus, Konrad-Zuse-Platz 1, 81829 Munich
- Catering:
 - Flying buffet incl. drinks

Please let us know explicitly if you will attend the networking dinner!

Conference Day

Access to thought leaders, networking and a great exhibition!

The multifunctional showroom is the central point of the conference for interaction, recreation and accessibility. Besides the breaks, the showroom is mainly used as a place for networking through conversations and as a exchange area for CIOs & thought leaders with conference participants and exhibitors!

DEADLINE:

1st April 2024

What topics are relevant?

Be part of the conference and submit your contribution on the main topics Technology & Innovation, Enterprise Architecture Management, Business Agility, Acceleration & Change, IT Management & Strategy, Lean & Agile, Digital Transformation or Innovation in different areas:

- What challenges are you currently facing and what insights can you pass on to the participants?
- What methods and approaches have worked or not worked for you in practice?
- What tools and methods exactly can you recommend to companies that are currently in a similar situation?
- What Dos and Don'ts emerged for you in your path of your project?
- Were there any failures along the way of your project that you would like to tell about?

What format will the presentation be in?

You will report in front of an audience about your own practical experience or about your findings from personal or scientific research. The session usually **lasts 30 minutes including Q&A**.

In which language should the presentation be given?

Your presentation and slides should ideally be in English.

Who are the participants in the audience?

Participants primarily include people involved in IT management, business strategy and enterprise architecture. These include CIOs organization developers, IT and management managers, enterprise and solution architects, executives, managing directors and board members, but also Lean and Agile coaches.

Will the sessions be published afterwards?

After the conference we will make the presentations and video recordings available to the participants in our [Subscription Platform LeanACADEMY](#).
